

Background information on Brunei Association of Japan Alumni (B.A.J.A.).

BAJA was founded in 1986 by Pg Setia Negara Pg Yusof bin Pg Hj Abdul Rahim who is also the adviser for life, of BAJA. At that time there were only five members forming the association including the present President, Dr Chin. BAJA is a non-political group.

The objectives of BAJA are

- To unite the former Brunei students who studied in Japan.
- to promote the ambitions and dedications of its members by participating in developing the nation
- to exchange cultures, knowledge transfer in all fields and therefore, assuring the success of development in education and technology.

Activities

- ◆ Members' involvement either as the working committee or audiences and supporters of any cultural activities and functions held by the Japanese Embassy in Brunei such as Japanese Speech Contest whereby BAJA's President was appointed as the head judge and other members competed.
- ◆ Assist new students who are going to study in Japan by giving some background information on study life, Japanese culture and social adjustment undergone, share by BAJA members from their own personal experiences.
- ◆ BAJA has also sent some participants to attend seminars around the region such as the ASEAN COUNCIL OF JAPAN ALUMNI (ASCOJA) and Reunion of Ex-students in Tokyo, Japan.
- ◆ Organize activities relate to Japanese Public holidays such as Origami Demonstration to commemorate Children's Day in Japan with full support from the Japan Embassy.
